## **OVERVIEW OF TOWNSEND PUBLIC AFFAIRS, INC.**

---

Townsend Public Affairs, Inc. (TPA), founded in 1998 by Christopher Townsend, is one of the “top ten” advocacy firms in California. TPA is the only firm in this echelon dedicated primarily to working on behalf of public agencies and non-profit organizations to secure significant government funding to transform legacy projects from dreams into reality.

The TPA Team is a diligent and energetic 17-member team with nine registered California advocates and two federal advocates strategically located in four offices across the country including one in the California capital, one in our nation’s capital, a Northern California office based in Oakland, and our Southern California headquarters based in Irvine, in Orange County.

In our decade of service, we have honed our advocacy skills and built relationships at every level of government to be able to provide effectively a broad range of intergovernmental advocacy services including:

- **Funding Advocacy:** Nothing says results better than dollars. From the founding of TPA, securing funding has been our core competency. TPA specializes in securing public sector funding to transform “legacy projects” from dreams into reality – projects such as libraries, parks, recreational centers, museums, and numerous infrastructure related projects such as transit, water, and waste-water systems. ***TPA has secured over \$522 million for clients since the inception of our company.*** From earmarks to competitive grant writing, from local regulations to federal legislation, we provide integrated local, regional, state, and federal government and even private sector advocacy focused on securing funding for projects and programs that make a difference in people’s lives.
- **Federal Government Advocacy:** TPA has a permanent representative in Washington DC, providing on-the-ground support for our federal government advocacy efforts. With major funding and authorization bills being debated constantly in our nation’s capital, it is vital to have a full-time presence in DC. Furthermore, with our combined five decades of political involvement in strategic regions throughout California and the nation, we have strong federal government relationships.
- **State Government Advocacy:** As one of the leading California advocacy firms, we are especially well-positioned to represent our clients with every facet of state government advocacy. Whether you are seeking state funding or trying to amend, pass, or stop legislation we have the experience and relationships to deliver tangible results.
- **Local Government Advocacy:** Through deep roots in Southern California, Northern California, and the Central Valley, as well as our extensive network of local government contacts, TPA is well-positioned throughout the state to assist with local and regional public sector advocacy.

## **TPA Client Service Team**

**Christopher Townsend** established Townsend Public Affairs, Inc. in September of 1998 and serves as its President. Christopher's issues of interest include transportation and water infrastructure, education, arts and culture, parks, community resources, non-profit organizations, and local government. Previously, Christopher served as Senior Director of Government & Community Affairs for Taco Bell Corp, supervising all legislative and regulatory matters that affected Taco Bell at the federal, state and local levels of government, including: labor, employee benefits, food safety, franchising, immigration, and taxes. Christopher serves on the Board of Directors of the Democratic Foundation of Orange County and the Orange County Public Affairs Association. He received his BA in Political Science from Claremont McKenna College and his Masters in Public Administration from the JFK School of Government at Harvard University.

**Sean Fitzgerald**, Senior Director, brings the experience of over 15 years of service in government and non-profit management throughout Orange and Los Angeles Counties, including the last six years with TPA. A graduate of the University of California, Irvine, Sean began his career with Senator Marian Bergeson and worked with three different Chambers of Commerce in executive management, government relations and economic development roles, as well as serving as Director of Communications for Los Angeles Councilwoman Janice Hahn. In his current role, Sean provides strategic consulting services to a wide variety of TPA clients, with a particular emphasis on local government, strategic and crisis communications, and water and wastewater infrastructure.

**Jennifer Thompson**, Director, provides a full-time presence in the State Capitol. Jennifer manages the majority of the company's housing and economic development projects. Prior to joining TPA, Jennifer worked on public policy issues at the local, state, and federal levels of government, serving as a Senior District Aide to Congresswoman Barbara Lee and as Senior Field Representative for California Senator Ellen Corbett. Jennifer is actively involved in promoting women's leadership and is a member of the National Women's Political Caucus, the League of Women Voters and the CA State Democratic Party. Jennifer has a BA in Social Work and a certificate in Women's Studies from Colorado State University and a MSW in Social Welfare Management, Planning and Policy from UC, Berkeley.

**Heather Dion**, Director, brings a decade of experience in public policy, legislative and government affairs with local governments throughout California. Heather's experience includes working for the Nevada State Legislature, the League of California Cities, the Orange County Water District, and MuniFinancial. Her experience with these organizations ranges from overseeing state and federal legislative affair programs, local government finance including Proposition 218, water infrastructure and water management policy issues, and infrastructure financing. A native of Nevada, Heather received a BA from the University of Nevada Reno and a Master of Public Administration from California State Long Beach.

**Casey Elliott**, Senior Legislative Advocate, builds on our strong Sacramento presence, adding extensive legislative experience to compliment our unparalleled public sector funding advocacy expertise. He brings to this position nearly a decade of Capitol experience having worked on legislation for the legislative and executive branches, as well as for a constitutional officer. Most recently, Casey served as a Legislative Assistant to Assemblymember Tom Umberg, where he served as the consultant to the Assemblymember on education, charter schools, transportation, and environmental issues. Prior to working in the Assembly, Casey served as the Legislative Coordinator for the Secretary of State for both Bruce McPherson and Kevin Shelley. Casey received a BA in Political Science from University of California, Davis.

**TPA Client Service Team (cont.)**

**Jessica O'Hare**, Senior Associate, joined TPA in January 2008. Prior to joining TPA, Jessica served as Deputy Chief of Staff to Orange County Supervisor Chris Norby for five years where she focused on transportation issues. Key initiatives she championed include creation of a Performance Audit Function, thorough review of procurement policies at both the County of Orange and the Orange County Transportation Authority, and identifying solutions to the County's traffic congestion issues. Jessica received a BA from Claremont McKenna College in Government-Spanish and is currently completing her MPA at the University of Southern California. She serves as the Appointments Chair for the Women's Transportation Seminar Orange County Chapter.

**Niccolo De Luca**, Senior Associate, joined TPA's Northern California office in early 2008 and brings to the team over ten years of significant municipal government experience. Previously, Niccolo served as the Deputy City Administrator in the City of Oakland. In this role he was third in charge for overall day-to-day operations of the 7th most populous city in California, working closely with the Mayor, City Council, Police, Fire, Public Works, and Parks and Recreation Departments. Prior to this position, Niccolo was the Assistant Director of the Public Works Agency and took a lead role in drafting, presenting, and getting approval of the \$93 million agency budget. Niccolo is an Oakland native and received a BA in American History from the University of Oregon, Eugene, and completed a one year program at the Università per Stranieri in Siena, Italy.

**Liisa Lawson Stark**, Senior Associate, joined TPA's State Capitol office in May 2008 and brings with her extensive experience in transportation, public infrastructure, and public safety policy. Prior to joining TPA, Liisa was a legislative representative for the League of California Cities responsible for the League's transportation, public works, public contracting and public safety legislative programs and policy process. Liisa worked very closely on the implementation of Proposition 1B, developing the implementation guidelines for the Local Streets and Road Program to help expedite expenditure of these monies by cities and counties, and was recognized for securing \$1 billion for cities from the bond. Liisa graduated from California State University, Chico with a BA in Public Relations and a minor in Spanish.

**Catherine Townsend**, Federal Liaison, at the TPA Washington, DC office. Catherine oversees the federal appropriations process and manages member relations for TPA clients. Catherine brings over 20 years of non-profit management expertise to TPA, including the areas of fundraising, program design, cause-related marketing, branding and special events. Previously, she served as the Associate Director of Share Our Strength, one of the nation's leading organizations working to end childhood hunger. Catherine is an active member of the Capitol Hill community, helping lead a recent public-private initiative to renovate eight public school libraries and the commissioner and coach of the Sports on the Hill girls basketball program. She received her BS in Psychology from Scripps College in Claremont, CA.

## **TPA Legislative Accomplishments**

<b>ISSUE</b>	<b>DESCRIPTION</b>
AIR QUALITY	TPA sponsored AB1488 (Mendoza, 2007) on behalf of Worldwide Environmental Products. This measure requires the Bureau of Automotive Repair to include light-weight diesel-powered vehicles manufactured after 1997 to be included in the State's smog check program beginning in 2010. TPA worked closely with members of the Legislature, and key officials within the Administration, to ensure that this important measure successfully passed the Legislature and was signed by the Governor.
CHARTER SCHOOL FACILITIES FUNDING	Pioneered early public school choice legislation, specifically assisting several schools in shaping SB 740 (O'Connell, 2001), which created the first state school facility grant program to benefit classroom-based public charter schools. SB740 was ultimately crafted to ensure that not only schools with low-income student populations, but also schools in and benefiting low-income areas, would be eligible for the facility grant reimbursement.
ENERGY	Working closely with assembly representatives and public agencies, TPA crafted AB 2804 (Hayashi, 2008) to provide added flexibility for community colleges participating in the California Solar Initiative for solar panel installation at community college sites.
ENTERPRISE ZONE REGULATIONS	Worked with numerous clients and agencies to ensure the continuation of the Enterprise Zone program which provides tax credit benefits to employers who hire disadvantaged workers. Also, influenced changes to the Enterprise Zone program regulations and lobbied for legislative clarifications.
LOCAL GOVERNMENT	TPA helped draft a measure for the City of Fresno which clarified the complex laws regulating the transfer of the City's water infrastructure to a newly formed special district. TPA also aided the City in moving the measure, SB 558 (Cogdill, 2007), unanimously through the Legislature and secured the Governor's signature of the measure. AB 2001 (Swanson, 2008) allows local governments to establish whistle-blower hotlines and additional provisions to protect their identity.
MILITARY BASE RE-USE	Crafted and ensured the passage of AB 212 (Correa, 2001), a bill that provided the necessary leverage to end an ongoing dispute between concerned local government parties. Led to a \$61 million mutually beneficial settlement between the agencies.
PUBLIC SAFETY	In 2007, TPA helped draft and secure passage through both houses of the state legislature and approval by the Governor of SB 67 (Perata, 2007) to crack down on "sideshow" reckless driving activities.
REDEVELOPMENT REGULATIONS	Successfully secured an amendment to SB 1206 (Kehoe, 2006) to exclude a major redevelopment tool that the City of Oakland needed for two areas it was trying to fuse into one combined Redevelopment Area.
TRANSPORTATION FUNDING	Worked with Senator Torlakson and overcame Caltrans opposition to get City of Antioch routes included in State Transportation Improvement Program. Millions of dollars in funds were reinstated for area highway projects and the Governor presided over the ribbon cutting.
URBAN WATER REGULATIONS	Helped build and manage a coalition of urban water agencies and environmental activists for changes in state water regulation terminology. AB 2528 (Lowenthal, 2003) clarified language relating to emerging contaminants and passed without a single no vote, despite early opposition from the Association of California Water Agencies.
VICTIM PROTECTION	Worked with the City of Oakland to draft and sponsor legislation to protect the rights of victims. AB 499 (Swanson, 2008) creates a pilot project in Alameda County to place sexually exploited minors accused of prostitution offenses into supervised counseling and treatment programs.
WATER DISTRICT ENABLING ACT	TPA worked with the Orange County Water District to modify governing legislation to reflect the dramatic changes that occurred in Orange County in the past 70+ years. AB 2619 (Daucher, 2006) made changes that aligned governing legislation with existing best practices and current state and federal codes.
